Based on product type, this report shows the production, revenue, price, market share, and growth rate of each type, mainly split into:

Software
Service

On a client basis, this report focuses on the status and outlook for each major application and end-user, consumption (sales), market size, share, and growth rate for each application, including:

Government
Financial Services
Communication
Health Care
Retail
Manufacturing
Energy
Other

COVID-19 Impact Analysis

Coronavirus, an irresistible illness, is brought about by the novel Covid. Coronavirus, which was generally obscure when it previously arose in Wuhan, China in December 2019, has gone from a local pandemic to a worldwide emergency in only half a month. The second quarter also saw manufacturing and supply chain delays that posed a threat to the automotive lightweight materials market as end-use industries were not operating at full capacity.
