made of a proprietary blend of softwood bark and are designed to burn for 8 hours, four times longer than most other briquettes on the market.

The company says that the Night Briquettes are their most affordable option yet, in response to the UK's record-high inflation and the cost of living crisis.

"We're committed to providing our customers with the finest wood fuels available," said Arturs Kasjanovs, a spokesperson for Lekto Wood Fuels. "Our goal is to make the wood fuel purchase process less overwhelming, easier, faster, and more pleasant."

Kasjanovs added that the Night Briquettes are 100% natural and chemical-free. They are made from a proprietary mix of natural softwood bark.

Night Briquettes are available for purchase on the Lekto Wood Fuels website, which features other [wood for sale](#) including hardwood heat logs, natural firelighters, oak firewood, birch firewood, and more. To learn more, visit <https://www.lektowoodfuels.co.uk/>
