

# The Advocate Urges the Family of a Navy Veteran or Person Who Now Has Lung Cancer in California to Call Danziger & De Llano If They Had Navy-Work Asbestos Exposure Before 1982-Compensation May Exceed \$100,000

SAN DIEGO , CALIFORNIA , USA, August 12, 2022 /EINPresswire.com/ -- The California US Navy Veterans Lung Cancer Advocate is urging the family of a Navy Veteran or individual in California who has within the last 12 months been diagnosed with lung cancer, and who had substantial exposure to asbestos in the navy or at work prior to 1982 to call the remarkable legal team at Danziger & De Llano anytime at 800-864-4000 about financial compensation. Financial compensation for a person like this might be in the hundreds of thousands of dollars. <https://meso.dandell.com>

According to the Advocate, "Most Navy Veterans or people who have recently developed lung cancer and who had heavy to extreme exposure to asbestos in the navy or at work prior to 1982 are completely unaware the \$30 billion dollar-asbestos compensation trust funds were set up for them too. If the person, we have just described sounds like your husband or dad please call the remarkable legal team at Danziger & De Llano anytime at 800-864-4000. To get compensated the person with lung cancer must be able to get specific about how they were exposed to asbestos in the navy or at work before 1982." <https://meso.dandell.com>

A Sample of Danziger & De Llano, LLP Lung Cancer Compensation Results for People Exposed to asbestos at work or in the navy. Note: These are actual compensation results the Danziger De Llano client received after attorney's fees.

\*\$1,354,000 Compensation Result received by an 81-year-old gentleman diagnosed with lung cancer who served in the US Navy as an Engineman and then spent his career working as an auto mechanic at various auto shops.

\*\$201,800 Compensation Result received by a gentleman who was diagnosed with lung cancer at the age of 70 who served in the US Navy and then went to work as a flooring contractor installing various types of flooring.

\*\$215,000 Compensation Result received by a 63-year-old man who worked as a laborer and diesel mechanic at a steel mill.

The Advocate is urging a Navy Veteran-person in California who now has lung cancer, who also had asbestos exposure in the navy or at work prior to 1982 to call Danziger & De Llano at 800-864-4000."
