[Braces in Millersville](#) cost only \$3,995. This includes the cost of x-rays, retainers, adjustments, repairs, and emergency visits. No matter how many visits or adjustments a patient may need, this price does not

change.

Invisalign aligners also cost \$3,995. These braces have become extremely popular due to their convenience and comfort. Invisalign braces are removable when patients are eating, drinking, or brushing their teeth.

"Some patients may be better suited for braces while others may prefer Invisalign," adds Dr. Wegrzyniak. "During a free consultation, we'll walk them through the benefits of both options and help them decide which treatment is best for their health, lifestyle, and smile."
