

Fastest-Growing Entrepreneur Accelerator Program for Black Women Graduates More Than 20 New Business Leaders

Economic development program accepting public and private donations to develop small businesses and empower diverse entrepreneurs.

SCOTTSDALE, ARIZONA, UNITED STATES, July 6, 2022 /

EINPresswire.com/ -- After mentoring more than 8000 minority women in just four years, the country's fastest-growing entrepreneurship program for Black women graduated its Spring 2022 class of skilled diverse

entrepreneurs on June 28. The [Millionaire Mastermind Entrepreneur Accelerator](#) Program is sponsored by [American Landmark](#), M&T Bank, Prospect Real Estate Group, and Blaylock Van LLC, with presenting partners including the Arizona Small Business Association, ARC Business

Solutions, Country Financial, Thinkzilla Consulting Group, 1st Class Real Estate, Marke Enterprises, and Trivium Financial Education.

“

I created this program to accelerate the growth of minority women-owned early-stage startups through top-tier programming, mentorship, and access to funding.”

Dr. Velma Trayham

The program, which kicked off on March 1 with welcome remarks by Scottsdale Mayor David Ortega, aims to develop more than 500 new companies and empower more than 50,000 entrepreneurs nationwide. While 5.4 million firms are majority-owned by women of color, employing more than 2 million people and generating more than \$360 billion in annual revenue, according to the

National Association of Women Business Owners, these businesses were hit particularly hard by the pandemic, with many women forced to drop out of the workforce to care for family.

“As a black woman raised in poverty who had to figure out how to get myself out of poverty to become a global business figure, I know firsthand what problems exist and how they can be

overcome,” said program founder and award-winning entrepreneur Dr. Velma Trayham. “I created this program to accelerate the growth of minority women-owned early-stage startups through top-tier programming, mentorship, and access to funding. With over 40 percent of Black-owned businesses closing due to the pandemic, our goal is to continue paving the way to get more women out of systemic poverty. We invite public and private entities to further their impact by supporting underserved communities with a focus on innovation and entrepreneurship.”
