Asia Pacific Accounts for Largest Revenue Share in Global MOBILE CRANES MARKET and Continues to Lead in Terms of Revenue CAGR:

The Asia Pacific had the highest revenue share in 2019 and is expected to maintain its lead throughout the forecast period. It is also expected to grow at the fastest rate between 2021 and 2027, owing to increased construction activity in emerging economies such as China, India, and the Philippines. The Indian government's "Bharatmala Yojana" infrastructure development scheme calls for funding to improve the country's road network. In 2018, the Asian Infrastructure Investment Bank (AIIB) invested USD 200 million in the National Investment & Infrastructure Fund (NIIF) to support India's infrastructure development.

As part of our quantitative analysis, we have provided regional market forecasts by type and application, market sales forecasts and estimates by type, application and region, and global sales and production forecasts and estimates for Mobile Cranes by 2028. For the qualitative analysis, we focused on political and regulatory scenarios, component benchmarking,

Reports And Data

technology landscape, important market topics as well as industry landscape and trends.
