Michelle Oyola McGovern has over two decades of policy, governmental, and community experience. Michelle began her career in public service with the Florida Department of Children and Families. Her career led her to work for U.S. Senator Bill Nelson, first in his D.C. office and then as his regional Director for the Palm Beaches and the Treasure Coast. Michelle's job involved meeting with community and local elected leaders to discuss policy initiatives and identify federal dollars to support local projects. A proactive leader, Michelle was promoted to serve as Senator Nelson's Statewide Director overseeing a team of 10 regional directors and staff across seven regional offices throughout Florida. Michelle worked in these public advocacy roles with Senator Nelson for 18 years.

Michelle now serves as the Director of Government and Community Relations for a major healthcare system. She focuses on creating, guiding, and promoting positive relationships. Her work to help local leaders and the community navigate important health and medical issues over the last two years has provided Michelle with essential experience that will prove critical as our county deals with the impacts of COVID-19 and other issues.

Michelle also currently serves - or has served - on numerous organizations, including past President and Member of the Board of Directors of the Forum Club of the Palm Beaches; founding Member and President of West Palm 100; past President and Member of the Board of Directors of SunFest; Trustee of the Chamber of Commerce of the Palm Beaches; President's Circle Member (Trustee) for the Wellington Chamber of Commerce; and Trustee for the Central Palm Beach County Chamber of Commerce.
