KLÖ set to release new single that is sure to make summer playlists throughout the world.

DETROIT LAKES, MINNESOTA, USA, July 7, 2022 /EINPresswire.com/ -- [Simplicity 26 Records](https://www.simplicity26records.com/) and Sunai Paradise Music LLC are set to release "Sweet Luva" on July 10, 2022. The new single boasts a twist of "poppy" synthesizer keyboards, hypnotizing Haitian Konpa guitars; blended with the typical zouk love drums, percussion, and Haitian-Caribbean rhythms; "Sweet Luva" spins KLÖ right back to her origins, a genre of contemporary Haitian Popular Music and features Paul "Polo" Borno in a duet with KLÖ. Polo is the current prominent lead singer of one of Haiti's top popular bands "Djakout#1." Polo delivers a breathtaking performance, beautifully complementing KLÖ's sultry, sensuous rendition of the song. The track is skillfully co-written, produced and arranged by none other than, Branley Midouin, with Frédéric Lasfargeas a top notch French-American renowned producer/arranger and pianist.
