“doubtful” is an introspective look at one’s life, self worth and relationships. The song was inspired by themes for the 1993 film “Mrs. Doubtfire”

Rob writes all of his own music, lyrics and works with various producers to create unique moments within his songs. Each one of Eberle’s songs are stories and moments into his life and others around him.

Influences from an eclectic group of artists such as FINNEAS & Billie Eilish all the way to Madison Beer, Olivia Rodrigo and Panic! At the Disco have helped to create Eberle’s genre bending darker-alternative to traditional Pop Rock.
