

Motivosity Wins Big with G2's Summer Reports and Awards

LEHI, UT, USA, July 8, 2022 /EINPresswire.com/ -- Summer's getting hot and so is [Motivosity](#) in G2's latest reports... Here is the recap! Motivosity has solidified itself as a Leader in the performance management category, scoring 2nd overall in the implementation index and breaking the top 10 for overall Momentum Scores in the category. Motivosity also continues to be ranked among the [employee engagement](#) list of Leaders and achieved a top 10 ranking in the implementation, relationship, and results indexes.

G2 compiles hundreds of reviews from verified product users in order to ensure the most comprehensive and accurate rankings based on a number of factors. Motivosity is excited to have placed high in a highly competitive industry as its product and team continue to build the best employee engagement platform on the planet!

Logan Mallory, VP of Marketing at Motivosity said,

"There are a lot of players in the employee engagement market. I think Motivosity's focus on gratitude and connectedness really resonates with our customers, and that sentiment is reflected in the latest G2 reports."

The best part about the G2 awards is that they showcase how all of Motivosity's products can come together to create the full suite for employee engagement. High rankings in performance management and [employee recognition](#) demonstrate that Motivosity can do it all in its mission to help make people happier at work.

G2 takes into account a vast amount of information when scoring companies. By looking at ease of setup, implementation time, user adoption, and other factors, it aims to give prospective customers everything they need to know about the buying journey. With hundreds of glowing reviews from current customers, Motivosity's presence on G2 stands out amongst its competitors. The buying stage is only the beginning, as factors like likelihood to recommend and estimated ROI provided by G2 give the prospective customer an extended vision of what Motivosity can do for their teams and organization once utilized.
