

AppScenic Ltd. launches Wix integration for retailers

AppScenic Ltd., the company behind the most advanced dropshipping platform and B2B Marketplace on the market, just launched a Wix integration for retailers.

MANCHESTER, ENGLAND, UK, July 8, 2022 /EINPresswire.com/ -- AppScenic Ltd., the company behind the most advanced [dropshipping](#) platform and B2B Marketplace on the market, just launched a [Wix](#) integration for [retailers](#). AppScenic, their dropshipping platform, can now be integrated with Wix, one of the most popular ecommerce platforms in the world.

Over 600,000 online stores worldwide are powered by Wix and over 180 million people worldwide have chosen to create a free website on Wix. Now, all of these store owners can take their online business to the next level with AppScenic.

“Wix is a great ecommerce platform, offering a complete solution for retailers that are new to dropshipping or ecommerce, and for the ones who are looking to switch from a physical store to an online one. That’s why we’re thrilled that all Wix store owners can now dropship high-quality products with AppScenic”, said Dan Cotet, CTO AppScenic. “The release of the Wix integration gives all retailers that use this platform the possibility to start dropshipping, by easily integrating their Wix stores with our AppScenic. Once they do this, they will have access to over 500,000 premium and unique products listed on AppScenic Marketplace. This is only our 3rd integration available, but we’re planning to release many more this year.”

It’s simple and fast for retailers to integrate their Wix store with AppScenic and start importing, updating, and synchronizing products from the AppScenic catalogue. All 500,000 high-quality products come from reliable and top suppliers from the USA, Canada, EU, or the UK, among many other countries. On top of all these, retailers get access to a user-friendly platform and have a support team available 24/7.

AppScenic is also a next-generation dropshipping automation platform that comes with powerful features, such as:

24/7 Price & stock sync - product prices and stocks get synced between the Wix store and AppScenic in real-time.

Smart payments - retailers can choose a preferred payment method and a flexible payment schedule.

Auto-ordering - all orders are automatically received and processed by suppliers.

Easy returns & refunds - advanced returns & refunds for each case and a smart ticketing system.

Shipments management - the tracking numbers get imported automatically to the Wix store.

All Wix store owners who want to dropship with AppScenic can register already for a Free Account.
