

# US Navy Veterans Mesothelioma Advocate Urges a Navy Veteran with Mesothelioma Who Served in a Ship's Engine Room to Call the Legal Team at Danziger & De Llano- Compensation May Be Millions of Dollars

WASHINGTON , DC, USA, August 11, 2022

/EINPresswire.com/ -- The US Navy Veterans

Mesothelioma Advocate is urging a Navy Veteran who has just been diagnosed with mesothelioma anywhere in the USA to please call the remarkable legal team at Danziger & De Llano anytime at 800-864-4000-especially if the Veteran was assigned to a navy ship's engine

room-or if they maintained a ship's engine room.

Mesothelioma financial compensation for a person like this might be in the millions of dollars as the legal team at Danziger & De Llano is always happy to discuss.

If your loved one is a Navy Veteran who has mesothelioma please make his financial compensation a top priority and call the remarkable legal team at Danziger & De Llano anytime at 800-864-4000."

*US Navy Veterans  
Mesothelioma Advocate*

"Prior to the early 1980s a navy ship's engine room would have had asbestos as insulation in the entire area, on most pipes, on the boilers, and on the pumps. A navy ship's engine room probably contained more asbestos that any other part of the ship.

"If your husband, dad or grandpa is a Navy Veteran who has recently been diagnosed with mesothelioma please make his financial compensation a top priority and call the remarkable legal team at Danziger & De Llano anytime at 800-864-4000-especially if he worked in or maintained a navy ship's engine room. Financial compensation for a person like this might be in the millions of dollars-as the representatives at Danziger & De Llano are always happy to discuss." <https://meso.dandell.com>

These are some actual compensation results the Danziger De Llano client received after attorney's fees for Navy Veterans with mesothelioma.

\*\$4,750,000 Compensation Result received by a Navy Veteran who was exposed to asbestos products throughout his career in the Navy.

\*\$3,921,750 Compensation Result received by a man who developed mesothelioma at age 68. He was exposed to asbestos products through his service in the Navy, as an auto mechanic, and while working in construction.

\*\$3,600,450 Compensation Result received by a gentleman who developed mesothelioma at the age of 67. He was exposed to asbestos products through his service in the Navy and as a construction contractor on commercial and residential projects.

\*\$3,403,890 Compensation Result received by a gentleman who developed mesothelioma at the age of 57. He was exposed to asbestos products through his service in the Navy and as a refrigeration and air conditioning mechanic.

\*\$3,222,450 Compensation Result received by a Veteran who developed mesothelioma at the age of 63. He was exposed to asbestos products through his service in the Navy and as a machinist at various manufacturing plants.

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon.

However, based on the calls the US Navy Veterans Mesothelioma Advocate receives a US Navy Veteran who has been diagnosed with mesothelioma could live in any state including New York, Florida, California, Texas, Ohio, Iowa, Indiana, Missouri, North Carolina, Kentucky, Tennessee, Georgia, Alabama, Oklahoma, Arkansas, Kansas, Nebraska, North Dakota, Wyoming, Nevada, Colorado, New Mexico, Utah, Arizona, Idaho, or Alaska.
