[Contact Organics](#) Inc. ( <https://contactorganics.com> ) is the world leader in all-natural weed control, the best bioherbicide made 100% of natural ingredients.

Walter L. Schindler, PhD, JD ( <https://walterschindler.com/> ) is the Chairman of the International Advisory Board of Contact Organics Inc., thereby continuing his pioneering work in [Transformation](#) LLC

(<https://transformationholdings.com> ) to pursue profitable sustainable strategies.

Harvard University has tested and validated that Contact Organics has developed a breakthrough innovation in non-toxic, environmentally friendly weed control by combining cutting-edge delivery technology and scientific research with natural ingredients. In addition to being effective broad spectrum contact herbicides, they are fully biodegradable, beneficial to soil microbiology and fertility, and do not allow weeds to develop resistance.

This weed control product has been independently validated as the number one superior offering versus all non-chemical herbicides currently on the market.

Dr. Schindler has recently created a new "fifth dimension" of consulting services and distribution with John DeMarco and Kat McFarlin, The Sustainable Foundation, LLC, which provides creative advisory support to all forms of sustainability, including advertising verticals, investment vehicles, empowering blockchain and artificial intelligence as well as adding editorial disciplines that stretch across all strategic forms of media platforms.

In past years, Dr. Schindler (<https://walterschindler.com/>) has been recognized as "Game Changer of the Year" by the London online magazine Lawyer International for the Legal 100 - 2020 awards. In addition, Dr. Schindler has received similar recognition by ACQ5 Magazine and Finance Monthly Magazine. The Lawyers International Legal 100 - 2020 Awards are given to 100

leading firms and individuals within their area of specialization, typically after review of over 100,000 submissions of third-party nominations.

Dr. Schindler added with emphasis: "I wish to acknowledge publicly with deep gratitude the encouragement of H.R.H The Princess Royal (Princess Anne), who held a private reception and dinner in my honor in November 2016 at St James Palace. She then stated her generous words 'to encourage you' when I asked her why she organized the event. And in 2017 she organized another special event at Marlborough House for leaders of the British Commonwealth and included me as her special guest. Selfless devotion to the future of a better world is the essence of nobility."
