In December 2021, The Helicopter Company (THC) signed a second purchase agreement with the

Airbus Helicopter. The partnership will contribute in the ongoing expansion of the new journey as a general aviation champion, with twenty orders of the newly launched helicopters, named as five bladed H145 and six ACH160 models.

Key participants include Airbus Helicopters SAS, Leonardo S.p.A, Bell Textron Inc., The Boeing Company, JSC Russian Helicopters, Lockheed Martin Corporation, Schweizer Aircraft, Bristow Group Inc., Carson Helicopters Inc, and Robinson Helicopter Company.

Some Key Highlights From the Report :

Military segment is expected to grow significantly in terms of revenue contribution to the market over the forecast period owing to increase in defense spending by various countries to strengthen their border security and procure advanced weapons and technologies.

Aftermarket segment is expected to grow rapidly in terms of revenue during the forecast period. Rise in need for replacement components for helicopters are driving growth of the segment.

North America is expected to account for largest revenue share in helicopter market over the forecast period owing to robust presence of major companies including Bell Textron Inc., Bristow Group Inc., and Carson Helicopters Inc., among others, in countries in the region.

A new entrant requires to have complete knowledge of the market stated in the research report to survive in the market. The report brings forth growth foresight for the forecast period and a review of the major players effectively operating in this market. The report consists of comprehensive information about segmentation and several growth opportunities of the market. The report provides an in-depth investigation of the global Helicopter Market , largely focusing on each segment and sub-segment of the Helicopter Market . The market forecasts included in the report are performed by our team of experts and are of great significance as they provide deep insights into various crucial industry parameters.

Objectives of the Global Helicopter Market Study:

An extensive study of the product portfolios of the major market players and their regional presence

A closer look at the strategic initiatives undertaken by the leading companies across this industry, including mergers & acquisitions, collaborations, partnerships, and joint ventures

An in-depth study of the evolving market sectors and the growth & penetration status of the global Helicopter Market

COVID-19 Impact Analysis to highlight the major opportunities and challenges

Strategic recommendations to help readers formulate lucrative business strategies

Identification of the emerging players and their tactical approaches to expand market presence

Emergen Research has segmented helicopter market on the basis of type, components and system, engine, application, weight, point of sale, and region:

Type Outlook (Revenue, USD Billion; 2018–2028)

Military

SAR

Attack Helicopter

Anti-Submarine Warfare

Transport Helicopter

Civil and Commercial

Component and System Outlook (Revenue, USD Billion; 2018–2028)

Avionics

Engines

Airframe

Cabin Interiors

Emergency System

Landing Gear System

Aerostructures

Main Rotor System

Engine Outlook (Revenue, USD Billion; 2018–2028)

Single Engine

Twin Engine

Application Outlook (Revenue, USD Billion; 2018–2028)

Oil and Gas

Defense

Search and Rescue Helicopters

Civil Utility Helicopters

Transport Helicopters

Emergency Medical Service (EMS)

Weight Outlook (Revenue, USD Billion; 2018–2028)

Light

Medium

Heavy
