About Hall's Beer Cheese:

What started as a spicy appetizer enjoyed by Central Kentuckians dining by the Kentucky River has developed into an internationally recognized brand. Taste of the South, Southern Living, The Wall Street Journal, Food Network, and others have featured the fan favorite beer cheese spread. The unique flavor of Hall's Beer Cheese begins with aged Wisconsin sharp cheddar cheese and finishes with a bit of spice that provides the "snap" to Hall's Snappy Beer Cheese.

Hall's Beer Cheese is a majority female owned business based in Lexington, Kentucky.
