

ClarityTTS - B2B Travel SaaS Platform Is powering The Business Automation of Huntington Travel Group

TORONTO, ONTARIO, CANADA, July 12, 2022 /EINPresswire.com/ -- [ClarityTTS](#), the B2B Travel SaaS platform, is powering the travel business automation of [Huntington](#) Travel Group, one of North America's largest Airline Consolidators with the active online registration of four thousand Travel Agents, to facilitate an efficient travel content distribution.

As part of this subscription, ClarityTTS provides enhanced automation, end-to-end travel technology solutions, and IT and Tech Stack support for Huntington Travel Group. Huntington Travel Group will now scale up their travel content distribution operations with ClarityTTS's Travel Automation platform and the access to the high-performing technical team to support superior travel booking capabilities and complex itinerary creations for their closed user group (CUG) customers in the B2B content distribution eco-system.

[Thava Tharmalingam](#), the Founder and CEO of ClarityTTS, said, "Huntington Travel Group believes in multiple products of our B2B Travel SaaS Automation and has now joined the subscription for a highly flexible, completely automated, cost-effective software model. The team at ClarityTTS will always aim to deliver our clients the best travel booking experience. While we are mutually excited with this partnership, we eagerly look forward to sustained improvements in air and hotel content distribution and growing mutually."

"Along with Huntington Travel Group's own NDC and GDS content, the integration of ClarityTTS's flight and hotel API will help us deliver highly efficient, curated, and original content for our customers. We strongly believe in the subscription-based plans of ClarityTTS as it is set to mutually benefit our customers and us with scale up opportunities in the travel industry," said the Chief Operating Officer of Huntington Travel Group, Ravi Kumar.
