The Original: Living Life Through Hockey

Canadian former professional hockey player Norm Beaudin is most known for being "The Original Jet," being the first to sign with the Winnipeg Jets Franchise in 1972. He played 25 games in the National Hockey League (NHL) and 335 games in the World Hockey Association. Beaudin also played for the Minnesota North Stars and St. Louis

“The Original’ provides a real behind-the-scenes experience, showing the depths of the sport and the raw character of the players,” said Passante. “It’s not the brutal sport that we’ve all come believe. It’s about faith and family, which is what drove me to write this memoir.”

In his 80’s, Beaudin still plays hockey and is an active advocate of the sport, coaching younger generations of players. That’s where he met the author, Kim Passante, while coaching at an ice rink in Scottsdale, Arizona.

“It feels great to share Norm’s story with the world,” said Passante. “Norm has a great outlook on life. He’s been hit with many hurdles throughout life, and the way he handles those challenges is truly inspiring.”
