Advantary now provides the full suite of Boardwise services under the direction of Dr. Donna Hamlin, CEO of Boardwise. Dr. Hamlin is a board director, CEO, and operating advisor with deep global experience in fintech, technology, software industries, and professional services. Her focus is on companies leading innovation. Her expertise includes strategy, business transformation, management, and M&A. Her global governance experience includes work in Europe, Asia, and North America. She has a special interest in preparing for IPO transitions.

Dr. Hamlin is certified for global board governance by Harvard University and NACD for public and private board directorship. Recognized for her ability to maximize board effectiveness, her uniter style contributes to high-quality ideation and meaningful debate. She leads research and education on governance best practices as the founder of Boardwise, Inc.

“Research shows companies that invest in excellent governance early on outperform those who wait. Access to capital, talent, and customer growth rely on it. I am excited to join Advantary’s team with the shared goal to provide the guidance, support, and expertise our team brings on all governance needs to ensure long-term success.”

Stephen Kuhn, Founder & Partner, Advantary

“Dr. Hamlin is a globally recognized leader in board governance, bringing decades of experience with both public and private companies,” said Stephen Kuhn, CEO of Advantary. “We are extremely fortunate to have Donna as a partner at Advantary.”

Donna joins a team of 25 experienced partners, advisors, and consultants for ASG. Besides the new Board Governance practice, ASG practice areas include Digital Disruption, Growth, Finance, Executive Capital, and Customer Connection. These services provide operational and strategic support to Advantary Capital Partners, Advantary’s private equity firm focused on traditional buyouts, management buyouts, and rollups.
