

Metatron Updates Metaverse Marketplace NFTMinthouse.com

Metatron Apps (OTC: MRNJ) is pleased to announce recent updates to NFTMinthouse.com

WILMINGTON, DE, USA, July 13, 2022 /EINPresswire.com/ -- Metatron Apps ([OTC: MRNJ](#)), a mobile and web technology pioneer having developed over 2,000 apps on iTunes and Google

NFT's are the future of art, collectible and document authentication by potential buyers and owners looking to capitalize on the digitization of their assets."

Joe Riehl CEO Metatron.

Play, is pleased to announce recent updates to NFTMinthouse.com a Mint-on-Demand [NFT](#) marketplace that offers free NFTs with purchase of curated artwork by popular and new artists. NFT Minthouse's update now allows collectors the opportunity to co-own physical and digital assets through the power of tokenization.

NFTMintHouse.com will be auctioning off authenticated painting and NFTs by famous artists like Miro, Picasso and Delacroix from private collections. A customer will be able

to buy an NFT version of a famous work, as well as the underlying art, confirming authenticity and ownership in the metaverse and real life. Global art auctions hit an all-time high in 2021 with over 6.5 billion in sales. In 2020, the NFT market was valued at \$100 million. By mid-2022 this has increased by 30x to \$3 billion.

Digital and traditional art, trading cards, songs, videos, contracts, pdf's even trust deeds can be turned into NFT's which will make the customer the verifiable owner of the underlying asset but will also allow savvy collectors to seamlessly market and resell the corresponding NFT.

NFTMinthouse.com currently accepts crypto payments but will soon allow purchases in all major currencies and credit cards via popular payment platforms.

"NFT's are the future of art, collectible and document authentication by potential buyers and owners looking to capitalize on the digitization of their assets."

Joe Riehl CEO Metatron.

Forward-Looking Statements: Any statements made in this press release which are not historical facts contain certain forward-looking statements, as such term is defined in the Private Litigation Reform Act of 1995, concerning potential developments affecting the business, prospects, financial condition and other aspects of the company to which this release pertains. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results of the specific items described in this release, and the company's operations generally, to differ materially from what is projected in such forward-looking statements. Although such statements are based upon the best judgments of management of the company as of the date of this release, significant deviations in magnitude, timing and other factors may result from business risks and uncertainties including, without limitation, the company's need for additional financing, which is not assured and which may result in dilution of shareholders, the company's status as a small company with a limited operating history, dependence on third parties and the continuing popularity of the iOS operating system, general market and economic conditions, technical factors, receipt of revenues, and other factors, many of which are beyond the control of the company. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance, or achievements. Moreover, neither we nor any other person assumes responsibility for the accuracy and completeness of such statements, and we disclaim any obligation to update information contained in any forward looking statement. Metatron does not grow, sell or distribute any substances that violate United States Law or the controlled substance act.
