

BLUE WATER ENTERTAINMENT PARTNERS WITH WEFUNDER TO FUND ITS FEATURE DOCU-ANIMATED FILM "KOHOLA"

The company announces its first collaboration on KOHOLA from feature film director GREG REITMAN

SANTA MONICA, CA, USA, July 14, 2022 /EINPresswire.com/ -- Sundance alum Greg Reitman (Fuel, Rooted in Peace,) of Blue Water Entertainment and Byron A Martin Productions (Eleven, The Carbon Rush) will produce "["KOHOLA"](#)" in collaboration with [Wefunder](#) to help raise funds as a community y crowdfunding campaign for its up-and-coming feature documentary film, KOHOLA.

"Working with Wefunder will enable us to take a completely new financial approach to raising funds that will enable audiences and fans to join the impact campaign," said Greg Reitman of Blue Water Entertainment. "The project will speak to the ocean crisis at hand and allow a unique storytelling voice for families and friends to participate in the journey of saving our oceans."

Blue Water Entertainment chose Wefunder for its Community Round because Wefunder makes it as easy as possible for founders to open up funding rounds to their community. Community Rounds are changing the future of investing, now allowing anyone to invest in the companies they love. This Community Round gives Blue Water Entertainment customers and fans the opportunity to be a part of the company's success as well as helps support healthy growth for the company.

About Wefunder

Wefunder is the largest platform that helps founders raise a Community Round from their most passionate customers and fans alongside venture capitalists. This Community Round invites

anyone - including customers, users, community members, friends, and family - to invest in the company for as little as \$100 in exchange for company equity. [

Wefunder is a platform that helps founders raise a Community Round from their most passionate customers and fans alongside venture capital. Headquartered in San Francisco with a distributed team across the country,

Wefunder has fundamentally changed the regulation crowdfunding space from the regulations to making it accessible to all at scale. Wefunder is a Public Benefit Corp, not only for its mission to fix capitalism, but because it's the way companies should be run. To learn more visit

communityround.com or wefunder.com.

“

The project will speak to the ocean crisis at hand and allow a unique storytelling voice for families and friends to participate in the journey of saving our oceans.”
