

Arvo Solar Announces First Franchise Deal

Arizona will be home to the first Arvo Solar franchise territory

PHOENIX, ARIZONA, UNITED STATES, July 13, 2022 /EINPresswire.com/ -- Arvo Solar is kicking off July with an exciting announcement — the first franchise sale for the network.

The newest Arvo Solar territory will cover Northeast Phoenix in Arizona. Dave Cole is the first franchise owner to join the Arvo Solar network. “We are thrilled to have such an amazing partner in Arizona,” stated Phil Horton, Owner of Arvo Solar. “Dave brings 20 years of real estate experience and one of the most robust, insane referral networks I’ve ever seen.” Arvo Solar also has locations in Houston, Texas and Sacramento, California.

[Arvo Solar’s franchise model](#) is built for entrepreneurs with strong customer acquisition and management skills, according to the company’s franchise website. Mr. Cole is the ideal fit for the model, says Horton. “With his personality coupled with tenacity, Dave will for sure be one of the highest — if not the highest — producing franchisees we have,” stated Horton.

“

We will create a franchise partner network throughout the contiguous USA that provides the ultimate energy freedom.”

equipment arrangement for its franchise partners. The future looks bright for the brand with an aggressive rollout plan in the works. “Our 5 year goal is to have over 200 franchise locations

sold," stated Horton. "We will create a franchise partner network throughout the contiguous USA that provides the ultimate energy freedom."

Arvo Solar also gives its franchisees a powerful CRM, suite of proposal resources, ongoing support, key industry relationships, and expert training.
