BOISE, IDAHO, UNITED STATES, July 13, 2022 /EINPresswire.com/ -- [Sterling Stock Picker](#) Shortlisted for 2022 SaaS Awards

International Software Awards Program Announces Initial Shortlist

Sterling Stock Picker has been shortlisted in the 2022 SaaS Awards program in the category Best SaaS Product for Financial Services.

Now in its seventh year of celebrating software innovation, [the Software Awards program](#) accepts entries worldwide, including the US, Canada, Australasia, EMEA and UK.

Categories for 2022 include Best Enterprise-Level SaaS and Best Data-Driven SaaS, alongside new categories including 'Most Agile or Responsive SaaS Solution of the Year'.

Head of operations for the SaaS Awards, James Williams, said: "Innovative technologies have always driven industry forward, and having disrupted the software business, SaaS continues to mature as a key driver for sustained improvement across manifold verticals.

"SaaS technologies are now part of successful business DNA. Continuing to evolve, this year we've seen a raft of truly remarkable software solutions, making it extremely difficult for our team to eliminate candidates at the shortlist stage.

"The shortlisted candidates announced today, however, have proven to be truly innovative thinkers in the SaaS industry, whether they're freshly-funded disruptors or established names.

"Our judges were very impressed with the volume of original solutions for modern business in all industry areas. Stay tuned for our August announcement of category finalists, representing
