Along with her Waffle Mix, All Purpose Coating Mix, and Secret Sauce Mix, by popular demand, Albright has brought back her Scratch Mix! Because she's a good listener, there's also a GLUTEN FREE version of her Waffle Mix!! If that wasn't enough, her newest addition to the Glynis'® Products line is what you've been waiting for-- Glynis' Butter Biscuit Mix!!!

It's all in the details and it's hard not to notice Albright's beautiful and eye-catching boxes as well. Who is the pretty lady on the packaging? Why, it's the Queen Glynis Albright herself! Albright explains, "After creating the Glynis® Product line, I had to make a decision on how to brand it visually. I knew that the logo had to represent its contents, attract the eye, and bring a smile to whomever sees it. The concept came after prayer and a dream. Me, wearing a waffle skirt, a crêpe bustier, and pancakes as my necklace. My waffle mix makes all three!! I hired a talented graphic artist, Dinh Tran, who took that concept and gave it life!!! Voilà!!! The Waffle Queen reigns!!!"

There's a lot more to come! Syrups, cookbooks, empowerment books, and kitchen gadgets, to name a few. It's not just chicken and waffles...it's an experience!!
