TAMPA, FL, USA, July 14, 2022

[/EINPresswire.com/](https://www.einpresswire.com/) -- Amazon Prime Day may be over, but [WORKPRO® Tools](https://www.workprotools.com/) is just getting started. Whether you were looking for a new set of pliers, a cordless drill, or a simple tool kit, WORKPRO® Tools boasted savings up to 45% for customers on their Amazon Storefront as the world's largest online retailer wrapped up its annual massive 2-days-of-savings event. Now, WORKPRO® looks to the weekend to see if JJ Yeley and MBM Motorsports can deliver a win in the NASCAR Xfinity Series Crayon 200 at [New Hampshire Motor Speedway](https://www.nhms.com/).

# WORKPRO®

Whether it be for NASCAR Xfinity team MBM Motorsports, or for the average, everyday consumer, WORKPRO® Tools consistently provides the complete package when it comes to helping people Build A Better Project. With their arsenal of tools ranging from hard-working hand and power tools to durable garden tools, no matter what the size of the project, WORKPRO® delivers a best-in-class product at an affordable price point.

While tools may be what they are known for, there is more to them to unpack than you might think. Most notably, WORKPRO® Tools uses their unique platform to fulfill one of their most important core values, to Build A Better Community, by partnering with the National Breast Cancer Foundation (NBCF). Each year, WORKPRO® launches a tool line that consists of hand tools, power tools, and accessories that are colored pink for the cause with a portion of the proceeds going directly back to the NBCF.

Even if you missed Prime Day, you can still support WORKPRO® Tools and MBM Motorsports this weekend at New Hampshire Motor Speedway in the NASCAR Xfinity Series Crayon 200 on Saturday, July 16th st at 2:30PM. So when you see JJ Yeley driving the No. 66 car down the

speedway that is sporting “WORKPRO®” down the sides, know that there is more to them than just high-quality tools.
