The annual list recognizes the top technology providers and consultants whose forward-thinking approach to providing managed services is changing the landscape of the IT channel. Businesses featured on the MSP Pioneer 250 have largely been built around providing managed services to the small and midsize business (SMB) market.

“We are honored to be included in this list of top technology providers,” said Roman Gruzdev, CEO of Sequentur. “We pride ourselves on our commitment to our customers and our ability to innovate based on their needs. We are grateful to be recognized for our efforts.”

Founded by Gruzdev in 2007 to address shortcomings in the IT industry, Sequentur partners with clients to advance their business and improve their efficiency while providing exemplary customer service.

The complete 2022 Managed Service Provider 500 list can be found on Channel Futures’ [website](#).
