TORONTO, ONTARIO, CANADA, July 15, 2022 /EINPresswire.com/ -- Karapancev Law announces the opening of its Toronto and Mississauga offices. The firm's Toronto office is located at 130 Adelaide Street West, Suite 2929. 130 Adelaide Street West, also known as the Oxford Tower, is an office tower that is part of the Richmond-Adelaide Centre. The office is easily accessible through the underground PATH, public transit, and also features onsite parking. Being located in the epicentre of Toronto's legal and financial districts allows the firm to be proximate to all of the major courthouses in the downtown core.

Furthermore, it is expected that the New Toronto Courthouse will open soon and it will be a short walking distance away from the firm's office. Currently, there are a number of criminal courthouses throughout Toronto. It is expected that this new courthouse will amalgamate them into one. Once completed, it will be the largest court in Ontario.

The firm's second office is conveniently located in Mississauga and serves its clients with matters in Peel Region. Located at 90 Matheson Boulevard West, Suite 101, the office is easily accessible and features onsite parking.
