Cryptozoic's exclusive products are:

Golden Goddess Harley Quinn The Suicide Squad Movie Collectible: This figure is a variant of the standard Harley Quinn The Suicide Squad Movie Collectible, which is premiering at SDCC. Like the previous releases in Cryptozoic's extremely popular Golden Goddess variant series, it sports a stunning gold-and-white design inspired by classical Greek sculpture. Each figure is individually numbered from 1 to 400. It will sell for \$75.

Batman Batarang Statue: Black & Gold Edition: This statue is a variant of the most recent in Cryptozoic's series of life-size DC Hand Statues. It showcases Batman's black-and-gold gloved hand gripping a gold Batarang. Each statue is numbered on the base, as well as on the Certificate of Authenticity, from 1 to 300. It will be available for \$125.

Luna Mothman (Cryptkins Unleashed): This variant of the Mothman vinyl figure from Cryptozoic's popular Cryptkins Unleashed line sports eye-catching glow-in-the-dark green paint. The 5-inch collectible comes packaged in a window box with a foil sticker marking it as "Exclusive Species." It will sell for \$25.

Cryptozoic will offer previews of the following upcoming collectibles:

The Batman Designer Series Batmobile Statue: This Designer Series statue reimagines the Batmobile from The Batman through the lens of the hot rod-influenced style of Kustom Kulture art from the 1960s. Preorders are available now for this high-end statue and the limited edition Blue Flame Edition, both coming later in 2022.

Cryptkins: Series 3: Cryptozoic's original Cryptkins IP features creatures from myth and folklore who are equal parts cute and scary. The 13 unique characters in this latest release include Skunk Ape, Hippocamp, Jackalope, Alien, and Champ. The figures will be available in 2023.

Dancing Peacemaker: Inspired by the unforgettable opening number from the Peacemaker TV series, this collectible showcases the character ready to hit the dance floor. The 6.25-inch bobble figure sways at the waist, ready to move rhythmically. It will hit stores in 2023.
