

Introducing New and Reduced VirtualPBX Business Phone Plans

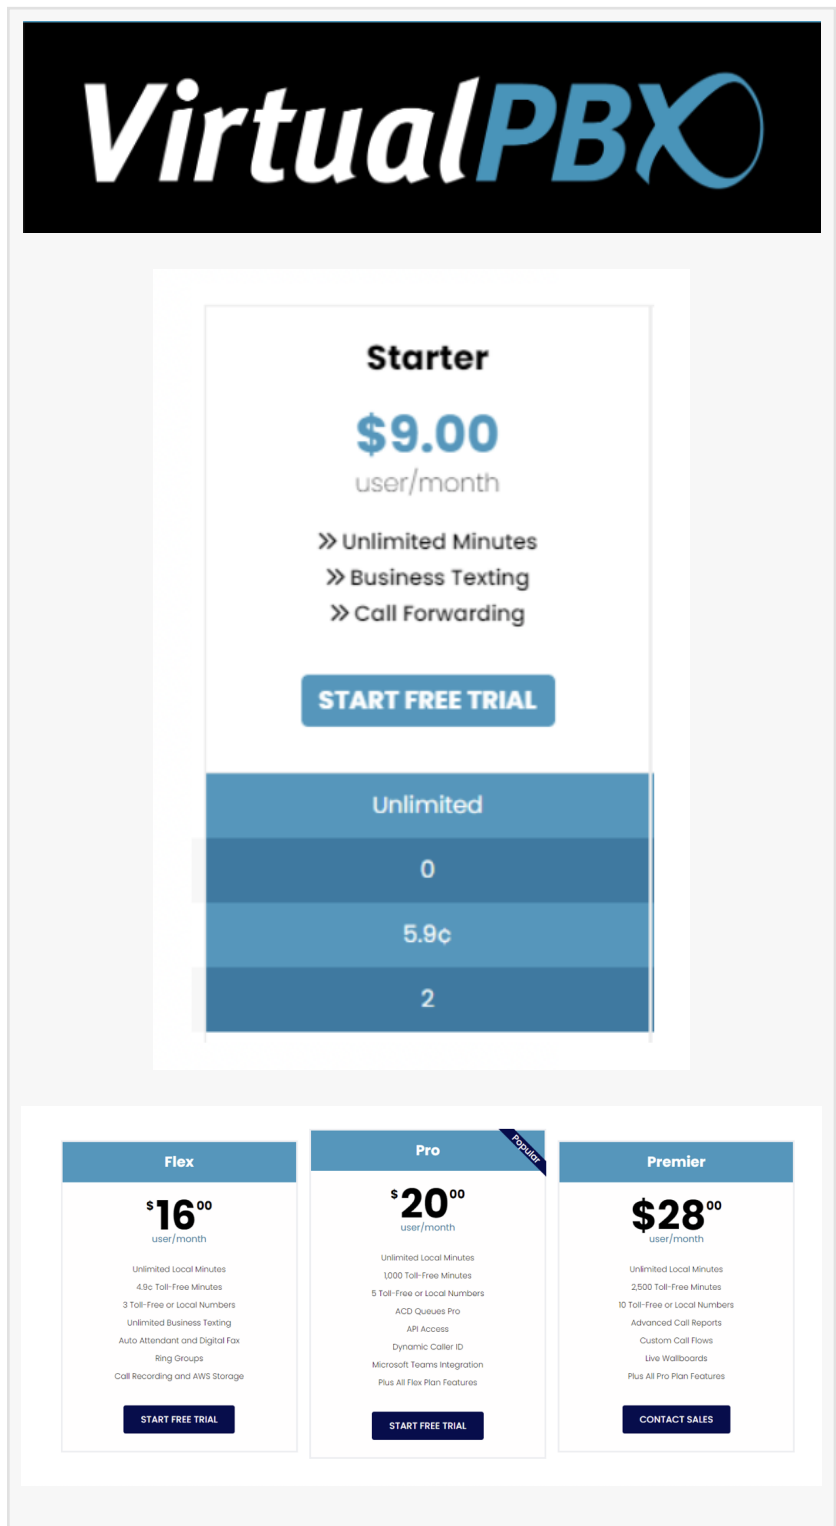

SAN JOSE, CA, USA, July 18, 2022 /EINPresswire.com/ -- VirtualPBX, an award-winning business VoIP service provider, is excited to announce a new cost-effective plan and price reductions to its [2022 Business Phone Plans](#). In a focused effort to consistently deliver innovative customer experiences at an affordable cost, the phone system developer now offers a new cost-effective pricing plan – VirtualPBX Starter Plan.

□The New Cost-Effective “Starter Plan”

Our newest plan was created for customers that only have the need for a [Web Phone](#) or to forward calls to a cell phone or landline. Although this plan does not include VoIP devices, it does include unlimited local minutes, 1 Auto Attendant, Ring Groups, Audio Conferencing, Business Texting, Faxing, and Call Logs. It's offered at a monthly rate of \$9 user/ month or an annual rate of \$7 user/month.

Also Introducing Virtual Extensions

Need to step away from the desk phone and don't want to miss an important phone call? The [Virtual Extension feature](#) can help users stay connected by providing an extension to another phone number. Below are

□What's Changed?

Price reductions on the Flex, Pro, and Premier Plans.

Now offered at \$16/month or \$18/month annually, the entry-level Flex Plan is still the perfect product for hybrid workers or entrepreneurs, now adding better-than-basic features, including SMS, Video, Ring Groups, and Call Recording with 250 GB of storage and more.□

The Pro Plan is a step up from Flex, a perfect option for most businesses needing advanced department insights. Features on Pro will include multiple Auto-Attendants, ACD Queues Pro, Microsoft Teams Integration, API Access, Hot Desking, Dynamic Caller ID, and 1,000 Toll-Free Minutes for only \$20/month or \$24/month annually.□

Finally, the Premier Plan is the company's most elite offering at \$28/month or \$34/month annually, with features such as Advanced Call Reports, Dial In System Access, Live Wallboards, Custom Call Flows, and 2,500 Toll-Free minutes.
