

Queensland's Sunshine Coast to host the 2022/23 Australian Cross Triathlon Championships

In breaking news, Triathlon Australia have announced Queensland's Sunshine Coast is set to host the Australian Cross Triathlon Championships in October 2022.

LANDSBOROUGH, QUEENSLAND, AUSTRALIA, July 15, 2022

/EINPresswire.com/ -- This has been announced off the back of the advice that the Townsville Triathlon Festival is not able to host the Championship for the 2022/23 season. Although unfortunate that the Townsville event is not able to go ahead, the good news is that there will be an Australian Championships this season.

[In2Adventure](#) are thrilled to be working with Triathlon Australia to deliver the event before the 31 January 2023 cut-off date; and even more excited that it will be hosted on the Sunshine Coast [Trex](#) course which promises a world class experience for national championship contenders.

Swim, MTB, Trail Run

The 2022/23 Australian Cross Triathlon Championships will take place on Saturday 22nd October 2022 in Landsborough in the heart of the Sunshine Coast Hinterland. Courses include Standard, Sprint, Junior, Teaser, Dirt Kids, Duathlon and AquaBike, so there's something on offer for those chasing a national championship title as well as those of all ages and abilities who are looking for some off-road action in this picturesque destination.

Based on the banks of spectacular Ewen Maddock dam the course showcases the very best of the Sunshine Coast hinterland with its stunning waterways, rainforest trails and fern-filled bushland. The course includes some of the best fast and flowing single track mountain bike

trails, and gritty off-road running trails found anywhere in Australia.

Economic Development portfolio Councillor Jason O'Pray congratulated IN2ADVENTURE on securing the prestigious national sporting event for the Sunshine Coast region. "This is yet another example of our natural assets and national parks on the Sunshine Coast being recognised on a national scale", said Cr O'Pray. "We are proud to welcome athletes from across the country to our beautiful region – where they can enjoy all that the Sunshine Coast has to offer – a place to stay and play, as well as compete".
