“

We're extremely proud and appreciate being accepted as an MSP Partner. Our team is devoted to getting the most out of Marketing Cloud for our clients. We take this responsibility seriously.

”

*Ross Jenkins, Decision Foundry US CEO*

announced today that it has been officially accepted into the Salesforce Managed Service Provider (MSP) Partner Program. This select program is for technically pioneering firms that find new ways to advance customer connection through managed services.

Unlike Consulting Partners who work with customers in sales and implementation, Managed Service Partners assist post-enrollment.

“We're extremely proud and appreciate being accepted as an MSP Partner,” said Ross Jenkins, Decision Foundry US CEO. “Our highly skilled and dedicated team of Salesforce-certified personnel are devoted to getting the most out of Marketing Cloud for our clients. Certified MSP Partners are

a cost-effective way to fill a technical resource void. We take this responsibility seriously.”

Managed Services include but are not limited to six categories:

- Platform Audits and Data Hygiene
- Ticketing and Troubleshooting Management
- Hands-on Developer & Integration Services
- Extended Analytical Services
- AppExchange App Management
- Project based work, short- and long-term contracts
