Brandenburg, who was denied a rightful place in the GOP Primary Election this August due to the Department of Elections incompetence, has emerged as the TRUE CONSERVATIVE running for Michigan Governor on the Constitution Party ticket. Brandenburg stated, “I made a promise to the people of Michigan that together, we would take back the American Dream...and that is exactly what I intend to do by shattering the antiquated uni-party system that has left our state and country adrift.”

In an unprecedented move, Brandenburg rejected the “pay to play” corrupt system that has become our major political parties and is running as the only true Conservative in the race.

Donna Brandenburg is a constitutional conservative, CEO, and entrepreneur. Born, raised, and educated in Michigan, Donna and her husband have 6 kids and the family resides in Byron Center. Donna has a reputation as a strong, compassionate leader and is devoted to rescuing horses.
