Legacy Roofing continues support of Ohio's professional sports teams

AKRON, OH, UNITED STATES, July 18, 2022 /EINPresswire.com/ -- Legacy Roofing Services, one of the largest commercial roofing service providers in the United States, is lending its support to the

Akron RubberDucks, the Double-A MiLB affiliate of the Cleveland Guardians. The company will sponsor the popular Raise the Roof Cam in between innings.

“

The RubberDucks and Canal Park are a big part of the Akron community which we serve and we're happy to have a presence in another area ballpark.”

Brian Kruse, CEO, Legacy Roofing Services

As RubberDucks fans know, the Raise the Roof Cam is an engaging, nightly in-game promotion that captivates all fans in attendance at Canal Park. Taking after the notorious “Raise the Roof Dance,” fans are encouraged to get on their feet, raise their arms above their heads as upbeat music is played over the ballpark's sound system. As fans engage in this promotion, the connection is made

to Legacy Roofing, encouraging them to turn to the company for their roofing needs.

“We're very glad to be working with both the Cleveland Guardians and the Akron RubberDucks,” said Brian Kruse, CEO of Legacy Roofing Services. “The RubberDucks and Canal Park are a big part of the Akron community which we serve and we're happy to have a presence in another area ballpark.”

Legacy Roofing recently signed an exclusive two-year partnership agreement with the Cleveland Guardians to be the official roofing partner of the MLB team. The deal included Legacy Roofing branding in Progressive Field behind home plate and on scoreboard signage during all home games, and radio spots on Newsradio WTAM 1100 during game coverage with legendary Cleveland broadcasters Tom Hamilton and Jim Rosenhaus. The company also sponsors the Frontier League's Lake Erie Crushers.

“Legacy Roofing has been a big supporter of professional sports in Ohio and we're very appreciative they are now part of the RubberDucks family,” said Jim Pfander, general manager

and COO of the Akron RubberDucks.
“Our Raise the Roof Cam is a highlight for everyone who comes to Canal Park and Legacy Roofing is now a big part of this tradition.”

The Akron RubberDucks are the Double-A affiliate of the Cleveland Guardians. The RubberDucks season is powered by FirstEnergy at Canal Park, with the RubberDucks home all summer through Sept. 18.
