“

Big Time Spin was created as a commentary on the times. Lockdown coupled with a tumultuous political climate presented through the lens of a 24 hour news cycle. Using noise to process noise.”

Brent Moore

Commenting on the new single, vocalist/guitarist Brent Moore states: “Big Time Spin was created as a commentary on the times. Lockdown coupled with a tumultuous political climate presented through the lens of a 24 hour news cycle. Using noise to process noise. Finding a melody in the chaos.”

JPS Productions Artist Manager Jason Schrick offers: “When I first heard the track, it took me back to a place where lyrics were king from bands like Stone Temple Pilots. I was also intrigued by the call and answer vocals seen in both verses as well as the guitar bends featured at the front of the choruses. Another great song from MCD!”

THE MANY COLORED DEATH is for fans of the bands COHEED AND CAMBRIA, THE SWORD, FOO FIGHTERS and KING'S X. Stay tuned for new show dates and catch the band in a city near you.
