We saved over \$600 from what we would have spent if we booked through Booking.com or Expedia.”

*Jim S., a new TravelSecrets.com member*

“When I first came across TravelSecrets.com, I really did think it was too good to be true,” says Jim S., a new TravelSecrets.com member. “My wife and I really wanted to take our little girls to Disneyworld this summer, but the flights alone were insanely expensive and almost twice as

much as when we first looked last summer. But, thankfully, we were still able to make our week-long trip happen because we found great hotel deals on TravelSecrets.com. We saved over \$600

from what we would have spent if we booked through Booking.com or Expedia.”
