

# Law 2.0 Conference Is All Set To Unveil Its Winter Edition In the USA

NEVADA, LAS VEGAS, UNITED STATES, July 18, 2022 /EINPresswire.com/ -- The Law 2.0 Conference is all prepared to launch its Winter Edition in the USA. It is scheduled to take place on December 19-21, 2022, at Mandalay Bay, Las Vegas, USA.

This conference aspires to unite the leading professionals and organizations to expand their horizons by diving deeper into emerging legal trends and innovations. Law 2.0 Conference offers engaging and intellectually stimulating speakers sessions, panel discussions, live Q/A sessions, and fireside chats. These rational sessions aim to help the attendees update their legal knowledge and give them different ideas, perspectives, and thoughts that can drive them to upscale their trial skills.

With the help of these interactive sessions, professionals can also get an insight into the contributions and achievements of other attorneys and firms who are making a mark through their work. Because it is being organized at a global level, one can also benchmark their performance and get noticed.

When asked about the highlights of the upcoming Winter Edition, Aditi Agarwal, Manager of [Law 2.0 Conference](#), shared, "During the pandemic, we have seen how the legal sector has started adopting technology to facilitate remote work. So, our focus would be to introduce professionals to more tech solutions while highlighting how policies are evolving through effective legislative actions and the removal of archaic ones. At the same time, our agenda will focus on how laws are shaping society and vice versa."

At this legal conference, thought leaders can connect with other legal professionals, attorneys, law consultants, policymakers, paralegals, real estate lawyers, and law firms. One can share their tools, strategies, techniques, or technologies that are helping them in boosting their businesses. Law professionals can also gain better insights into the latest innovations and emerging practices, expand their client base, get referrals or find the right investors or collaborators for their businesses. In addition to this, startups or established firms have the chance to create brand awareness by leveraging ample exhibition, marketing, and sponsorship opportunities at the event.

In its upcoming edition, the Law 2.0 Conference will also celebrate the incredible contributions of leading legal professionals and firms through its special recognition session. After getting evaluated and analyzed through an intensive selection process, the finalists will be approved for this unique global recognition. The selected honorees will be felicitated before other renowned law consultants, paralegals, and firms on its stage.
