About Travel Coin (TCOIN)

Travel Coin (TCOIN) is a blockchain technology startup that develops a reward ecosystem for the hospitality industry where restaurants, clubs, cafes, and other related businesses increase their revenue and number of clients by offering bonuses to customers in the form of TCOIN crypto-tokens. The major goal of the Travel Coin is to make blockchain technology easily accessible to as many hospitality customers as possible in different parts of the world. Consequently, a user-friendly mobile app will be built that allows users to leverage the features of the fast-emerging Blockchain technology.
