The report investigates the market status, growth rate, market share, and future trends. A holistic investigation of the market is provided combined with growth-oriented approaches undertaken by the leading companies operating in this global Mobile Radiography Systems market are covered. The report highlights the numerous strategic initiatives, such as new business deals and collaborations, mergers & acquisitions, joint ventures, product launches, and technological up-gradation, implemented by the leading market contenders to set a firm foot in the market.

Market segments by top companies:

GE Healthcare
Siemens
Philips Healthcare
Shimadzu
Konica Minolta
AGFA Healthcare
BMI Biomedical International
Idetec Medical Imaging
DMS Imaging
CAT Medical Systems

Product segment analysis:

In-Line Mobile Radiography Systems
Battery-Powered Mobile Radiography Systems

Application segment analysis:

Hospitals
Clinics
Academic & Medical Research Institutes
Others

The global Mobile Radiography Systems market can be categorized into:

North America (United States, Canada and Mexico)
Europe (Germany, France, United Kingdom, Russia, Italy, and Rest of Europe)
Asia-Pacific (China, Japan, Korea, India, Southeast Asia, and Australia)
South America (Brazil, Argentina, Colombia, and Rest of South America)
Middle East & Africa (Saudi Arabia, UAE, Egypt, South Africa, and Rest of Middle East & Africa)
