highly qualified SAP Specialists and Expert Consulting Talent in the Digital Supply Chain Domain. Since 2011, Novigo has spearheaded a top-notch training platform specifically aimed at training SAP Digital Supply Chain junior and experienced consultant professionals: the Novigo Academy Program. The Novigo Academy has been running regular training cycles across all its global locations, now extending to its new Istanbul operations.

According to Joerg Rohde, CEO of Novigo, "The war for SAP

talent is in full swing and will continue for the foreseeable future. With our new launch in Istanbul, we can tap into a rich pool of highly qualified IT talent and develop capable SAP Digital Supply Chain experts in-house. This strategic move supports our global expansion course with an extended service portfolio at competitive rates to benefit our customers". He further added, "We see immense potential in Turkey, and personally, I am very excited to work with our amazing new Novigo team members in Istanbul."

The new Novigo Istanbul SAP Center is the tenth office location of Novigo worldwide. The office is situated in the Levent area, a vibrant and professional business district on the European side of the city, near partner offices in the region. From here, Novigo will extend its global delivery model and support engagements worldwide across all industries.
