“

A Magical Cirque Christmas is a great opportunity to bring friends and family together to reconnect, share laughs, and create new memories during the holiday season.”

Director Louanne Madorma

The Christmas tale begins as the Guardian of Time, who manages the changing of the seasons with his giant magical clock, finds himself less than thrilled to face the countdown to the 2022 holidays. In other words, he's not feeling it. An optimistic, magical Christmas fairy played by the glamorous and comedic magician Lucy Darling whom David Copperfield calls “a true original – hilarious and delightful; An EXCEPTIONAL new talent in magic” and the Chicago Tribune calls “immensely entertaining” appears to help but despite her best intentions, causes time to go

haywire when she breaks the clock.

The story jumps along the time spectrum with visits to the rollicking 1920s a la The Great Gatsby style, the rockabilly 1950s, the boogie-oogie 1970s, and a classic Victorian 1890s London

reminiscent of Charles Dickens, and is accompanied by beautiful holiday music from each period. To keep the clock ticking, Lucy Darling uses all her skills with jaw-dropping tricks and amazing feats of illusion, including a levitation that requires a bit of audience participation.

Acts returning for this season's tour include audience favorites, Rola Bola performer and Unicyclist Jonathan Rinney, Juggler Christopher Stoinev and Foot Juggling Duo Ray Rodriguez Lara

and Henry D'Boyd Collado Green. Attendees of all ages will be amazed and delighted by performances that have also entertained TV audiences on America's Got Talent and The Late Show. Dazzling artists include Lyra hoop aerial acrobats, a high-flying foot juggling duo, a breathtaking aerial straps pair, a contortion flying streetlamp act, and much more.

"A Magical Cirque Christmas is a great opportunity to bring friends and family together to reconnect, share laughs, and create new memories during the holiday season. We've assembled top-tier talent for an incredible evening of surprises that we think will bring a ton of joy during a cherished time of year," said Director Louanne Madorma, who has directed cirque shows all around the world.
