Madigan & Lewis, LLP is proud to announce that founding partners, [Kimberly A. Madigan](#) and [Victoria K. Lewis](#) have been named to 2022 Northern California Super Lawyers® for the fourth year in a row. In addition, partner [Erin J. McCormick](#) and associate Brooke N. Murphy were selected to 2022 Northern California Rising Stars for the fourth year in a row.

Super Lawyers® is a rating service for outstanding lawyers in more than 70 practice areas. Only the top five percent of all attorneys in Northern California are named each year as Super Lawyers®. Attorneys who have attained a high degree of peer recognition and professional achievement are nominated and evaluated based on independent research. The objective of the Super Lawyers® designation is to create a credible, comprehensive, and diverse listing of outstanding attorneys that can be used as a resource for attorneys and consumers. Lawyers are not required or allowed to pay a fee to be listed; therefore, inclusion in Super Lawyers is considered a singular honor.

The selection of Rising Stars is based on peer nominations and evaluations along with third-party research. No more than 2.5 percent of all Northern California lawyers are named to the list of Rising Stars, who must be under the age of 40 or have been in practice for 10 or fewer years.
