

Blu North Challenges Companies to Find Their Technology Tru North

Blu North is a new consulting partner backed by one of the nation's largest managed IT services providers, 1Path.

ATLANTA, GA, USA, July 21, 2022

/EINPresswire.com/ -- [Blu North](#) – a

new consulting partner backed by one of the nation's largest managed IT services providers, 1Path - designs and executes best-in-class strategies that allow organizations to realize exceptional business outcomes from technology. Their proven methodologies provide clients with actionable insights to develop and test break-through capabilities that leverage cloud-based technology, cyber security, productive software, and more.

Led by industry veteran Patrick Kinsella, Blu North's Chief Transformation Officers (CxOs) average 23 years of IT experience between them. Every engagement begins with an evaluation of the businesses and financial sponsors' goals. From hybrid workplace models to industry compliance audits, CxOs are experienced battle-tested guides with in-depth knowledge.

“

Blu North's methodology helps organizations leverage the disruptive nature of digital transformation, guided by technology.”

Managing Director, Patrick Kinsella

“We are excited to bring the capabilities of Blu North to not only 1Path clients, but other companies across North America. Blu North's methodology helps organizations

leverage the disruptive nature of digital transformation, guided by technology.” said Patrick Kinsella, Managing Director at Blu North.

Blu North's offerings extends across technologies to help organizations take a holistic approach to IT maturity, and include:

- IT Leadership & Budgeting
- Governance & Compliance
- Cloud Strategy
- Due Diligence & Transaction Advisory
- Resilience & Cyber Security
- Line of Business Applications, Data & Analytics
