

EDRM Partners with Zapproved to Support the 10th Annual PREX Conference

Conference to be held September 19-21, 2022 in Portland, OR

MINNEAPOLIS, MN, USA, July 21, 2022 /EINPresswire.com/ -- Setting the global standards for e-discovery, the Electronic Discovery Reference Model (EDRM) is pleased to announce that as part of their renewal, EDRM is partnering with their Guardian Plus Trusted Partner, [Zapproved](#), to support the 10th Annual [PREX22](#) Conference, A Decade of eDiscovery Excellence.

Zapproved's [PREX](#) conference will feature a fireside keynote with Kathryn Kolbert and the Hon. Shira Scheindlin (ret.), a robust judicial panel on emerging trends, a GDPR update and the popular People's Court session among others. Educational sessions are CLE eligible. PREX22 offers meals, with the highly anticipated networking reception the night before and the "PREX family dinner" after the day's education. The final day is product focused for clients and those interested with a star-studded panel on trends and predictions specific to corporations.

“Coming together to solve hard problems is what we do at Zapproved, even as the world around us continues to shift and evolve.” said Monica Enand, CEO, Zapproved. “For the past 10 years since we have been hosting the PREX conference, I have been honored to be creating this opportunity to do just that - learn, get inspired, and come together in new ways as an ediscovery community. I'm so excited to welcome our EDRM partners in joining us once again for this very special event.”

Setting the global standards for e-discovery

EDRM Supports PREX

"The PREX Conference features a carefully curated program, bringing together the perspectives of in-house e-discovery experts, outside counsel, experienced judges, and others with e-discovery and information governance expertise," said David Cohen, leader of Reed Smith's E-Discovery Group, and a repeat presenter at the annual conference. "Beyond the attention to cutting edge issues and emerging standards, the conference focuses on offering practical guidance, both through the formal sessions and through the multiple informal networking opportunities which are always a special highlight of this conference."

Zapproved

EDRM community leaders, global and local, will be available to facilitate introductions and assist at the venue and presenters include David R. Cohen, Reed Smith and EDRM Chair of the Project Trustees, and EDRM Global Advisory Council leaders Ron Hedges, Dentons, the Hon. Andrew Peck (ret.), DLA Piper, the Hon. Xavier Rodriguez (WD-TX), Dr. Maura R. Grossman, University of Waterloo.

"Kaylee and I are so excited to see everyone at the tenth anniversary of PREX," said Mary Mack, CEO and chief legal technologist, EDRM. "We can't wait to lift a glass, dine and catch up, and enjoy a wonderful couple of days learning from the best in the Pacific Northwest together."

About PREX

PREX is the leading conference for in-house legal professionals, bringing together thought leaders and practitioners from across the industry to collaborate on the big ideas and actionable practices that advance corporate ediscovery. In its 10th year, the conference features thought provoking keynotes, ideas that inspire, engaging speakers: judges, ediscovery veterans, technology specialists, and more who have solved ediscovery challenges big and small. All-access networking allows you to meet, connect, and mingle with your industry colleagues from leading organizations at multiple networking events. Hotel blocks, including special pricing at the historic Sentinel Hotel (formerly known as the Governor Hotel) have been reserved.
