

Leading Cyber GRC SaaS Platform 6clicks Spotlighted on the Worldwide CRN® 2022 Emerging Security Vendors List

CRN has recognized 6clicks - the #1 cyber GRC platform, powered by AI, and with its unique Hub & Spoke architecture designed for enterprises, advisors and MSPs.

MELBOURNE, AUSTRALIA, July 25, 2022 /

EINPresswire.com/ -- The [AI-powered cyber GRC company, 6clicks](#), today announced that CRN®, a brand of The Channel Company, has included the company in its 2022 Emerging Vendors list in the Security category. This annual list recognizes the fast-rising technology vendors that have exhibited a commitment to driving positive change and continuous growth in the IT channel by delivering innovative, cutting-edge solutions.

The technology vendors featured on CRN's 2022 Emerging Vendors - all six years old or younger - are bringing a fresh approach to solving the IT challenges facing customers today, enabling their partners to deliver unique solutions that will ensure the IT channel's continued success.

The companies to feature on this year's Emerging Vendors list were selected across nine different categories: Artificial Intelligence/Machine Learning Tools, Application Development/DevOps, Big Data, Security, Networking & Unified Communications, Data Center & Systems, Storage, Cloud and Edge Computing/Internet of Things.

"As part of our 2022 Emerging Vendors list, CRN recognizes technology vendors that are transforming the IT channel by providing revolutionary and innovative products that help customers manage ever-evolving IT demands," said Blaine Raddon, CEO of The Channel Company. "As a trusted industry resource, CRN's Emerging Vendors list gives solution providers insight into the latest ground-breaking IT channel technologies."

"We're honoured to receive this recognition from the most prestigious channel champion in the world, The Channel Company," said Anthony Stevens, CEO of 6clicks. "This acknowledgement is

especially significant as VARs embrace our mission to deliver a cloud-based turnkey cyber GRC platform with its unique [Hub & Spoke architecture designed for enterprises, advisors and MSPs.](#)”
