

DECISION FOUNDRY ACCELERATES GROWTH WITH OPENING OF NEW OFFICE IN TORONTO

The new office expansion allows DF to better service its growing Salesforce integrations and managed service offerings in North America

NEW YORK, UNITED STATES, July 21, 2022 /EINPresswire.com/ -- [Decision Foundry](#), a leading

“

The choice to expand our presence to Canada was a logical step in our business growth strategy. We have the opportunity to expand our implementation and managed services capabilities for our clients. ”

Ross Jenkins, CEO

Salesforce integration and managed service partner, recently opened a new office in the Toronto, Canada, to accommodate its rapid growth and leverage the area's diverse and skilled talent pool.

Decision Foundry is focused on growing its North American footprint and grow its Salesforce delivery services to better meet the demands of its partners. The new office provides space to support this development strategy. The expansion represents a commitment to delivering better data experiences and improving data-driven decision-making.

“The choice to expand our presence into Canada was a logical step in our business growth strategy,” said Decision Foundry CEO Ross Jenkins. “We have the opportunity to expand our implementation and managed services capabilities, as well as increase our ability to service current and future clients. Also, the Toronto area is flush with diverse talent from respected colleges and universities, and Fortune 500 companies.”
