

Ganesh Diagnostic is listed with ICMR as COVID-19 Testing Labs

Diagnostic Centres across Delhi expanding COVID-19 Test facilities to reach communities as preventive measure for covid-19.

NEW DELHI, DELHI, INDIA, July 21, 2022 /EINPresswire.com/ -- It's true "Prevention is better than cure". To prevent COVID-19, apart from vaccination Covid-19 RT-PCR test also plays an important role. Being a leader in diagnostic services in Delhi, Ganesh Diagnostic is listed with ICMR as a COVID-19 testing laboratory to provide COVID-19 test facilities to communities.

Covid 19 RT PCR Test @ GDIC

We have been honored to serve communities in Delhi and be able to offer a COVID-19 Testing facility to the communities. Our caregivers and staff are committed to providing quality care to communities. We are so grateful to be listed as Covid-19 Testing Laboratories to expand covid-19 testing access to the community and promote health equity.

Ganesh Diagnostic has 6 branches in Delhi. Since 2001, At Ganesh Diagnostic, we have been tirelessly dedicated to providing medical services to communities under the guidance of famed radiologist, Dr. Ravin Sharma. We use advanced techniques to resolve issues and problems. Ganesh Diagnostic has already conducted RT-PCR tests for more than 3,000,000+ patients throughout the pandemic. As community health partners, Ganesh Diagnostic is uniquely positioned to work as a system with the ICMR to expand access to the COVID-19 RT-PCR test to recipients.

Ganesh Diagnostic was chosen for COVID-19 Testing in Delhi NCR on their provided services, commitment, and ability to provide RT-PCR testing facility without any quality compromise and with complete accuracy in reports to vulnerable populations irrespective of ability to pay. To prevent Covid-19 from the spread, It's necessary to share information and education

regarding the need for COVID-19 Testing, COVID-19 preventive guidelines as well as prevention techniques for covid-19. Our healthcare providers have seen how devastating the COVID-19 virus has been to communities. Getting the RT-PCR done quickly and efficiently is an essential and very first step to getting detailed information about infected people to stop the spread of COVID-19.

All Ganesh Diagnostic branches use an effective method and an end-to-end platform to make it easy for patients to register and schedule appointments through the helpline/ website at any of their centers at their convenience.
