Saxophonist Brandon Fields and Adam Hersh on Piano

"It's a pleasure to record with these guys.

Brandon Fields is truly one of the most gifted saxophonists and instrumentalists of our time. I'm thrilled to have him on my recordings and to call him friend.

Adam Hersh is widely recognized as a brilliant and innovative pianist. I see a lot of Bill Evans in him. Loved having him play on these songs. My friend Adam has a great and wonderful future ahead of him.

Beautiful follow-up releases by Michael Tinholme to what is Heralded by listeners as one of today's Greatest Songs for Peace!
