

MSITEK is Now an SAP Gold Partner

MSITEK LLC. announced today that it has achieved SAP gold partner status in the SAP® PartnerEdge® program.

PRINCETON, NEW JERSEY, UNITED STATES, July 21, 2022

/EINPresswire.com/ -- [MSITEK LLC.](#)

announced today that it has achieved SAP gold partner status in the SAP® PartnerEdge® program. This is a clear indication of the high level of quality MSITEK provides to businesses using SAP solutions.

“Moving to gold partner status

endorses our long-standing relationship with SAP and demonstrates our expertise in helping to transform our customers’ businesses by leveraging the next-generation solutions from SAP. It is a testament to our continuous effort in developing breakthrough solutions and driving innovation focused on customers’ business outcomes,” said Ashoo Tuli, Managing Partner of MSITEK.

MSITEK helps enable customers to ensure business continuity and drive business value with [effective and cost-efficient digital transformation](#). Maintaining a high standard of excellence in cloud solutions and cloud-managed services, MSITEK helps to empower businesses to turn growth potential into actual results.

A qualified and highly skilled pool of consultants and sales and presales teams with extensive experience in the SAP ecosystem, MSITEK’s unique and innovative approach tailored to support customers’ business needs has positioned the organization as a leader in the market.

MSITEK is committed to investing in the capability building of its consultants. To ensure that its global workforce is up to date with market needs, the organization has created best in-class learning opportunities. This highlights MSITEK’s ongoing commitment to achieving SAP Certifications for all consultants across different LOBs.

MSITEK achieved SAP gold partner status because of positive customer references, its unique offerings for SAP solutions, and its ongoing commitment to achieving SAP Certifications. Focused

on providing cloud solutions across human experience management, customer experience, procurement, digital supply chain, and enterprise resource planning for small and midsize enterprises, [MSITEK also offers learning and enablement](#), strategic consulting, and SAP application management services.

With a presence in North America and the Asia Pacific region, the organization has a global customer base, and its industry-specific expertise in consumer goods, retail, chemical, and manufacturing sectors enables businesses to deploy best practices and optimize their investments in SAP solutions to improve the bottom line.

MSITEK will continue to help businesses modernize, implement, and enhance their IT landscape with best-in-class solutions from SAP. Through its learning and enablement offerings, the organization delivers training for SAP solutions worldwide, and it is expanding its partnership in India and other geographies across the Asia Pacific region in response to global demands for SAP training.

About MSITEK
