

PowerDMARC Joins the ASCII network

PowerDMARC allies with The ASCII Group to make email authentication accessible to the North American IT community with benefits on their DMARC MSP/MSSP program

MIDDLETOWN, DELAWARE, USA, July 21, 2022 /EINPresswire.com/ --

PowerDMARC, a leading email authentication SaaS service provider for MSP/MSSPs has joined with The ASCII Group to bring their complete email authentication to ASCII members. PowerDMARC helps in stopping email spoofing, impersonation, and phishing attacks.

PowerDMARC joins the ASCII network

ASCII members will now be able to benefit from PowerDMARC's advanced email authentication solutions at discounted rates. The package includes an automated [DMARC MSP/MSSP](#) dashboard, [DMARC](#) compliance and enforcement, simplified and exportable PDF reports, protection against sophisticated email-based threats, API support, a full-platform [whitelabeling opportunity](#), and much more!

"We believe that PowerDMARC will help MSP/MSSP secure their customer domains from email spoofing, impersonation, abuse, CEO fraud, and ransomware attacks using email authentication protocols like DMARC, SPF, MTA-STS, TLS-RPT, DKIM, and BIMI. Most of these protocols are miss understood whereas we have made them simple to implement within a few clicks.", said Faisal Al Farsi, the CEO of PowerDMARC.

"We are pleased to welcome PowerDMARC to our ASCII community and to offer this exclusive benefit to our members which is designed to help MSPs," said Jerry Koutavas, President, The ASCII Group.
