

Motobyo Puts Used Car Buyers in Control of the Transaction, with Resources Normally Only Available to Dealers

HORSHAM, PENNSYLVANIA, UNITED STATES, July 25, 2022

/EINPresswire.com/ -- Consumers complain about buying cars all the time. The process takes too long, is too confusing, and in the end, they just want to get it over with so they can have a set of wheels.

Generations of car buyers have faced those same problems - now [Motobyo](#) has solutions.

Motobyo, the used car marketplace that launched July 18th in the Greater Philadelphia market, has “flipped the script” in the auto industry by creating a fresh model for buying and selling cars.

Designed by experienced tech and auto industry professionals, Motobyo’s platform efficiently connects car buyers directly to sellers, enabling both parties to complete a private transaction in the most secure and transparent manner available today.

Motobyo’s end-to-end solution is designed to offer peace of mind for buyers by providing detailed and verified information about every available vehicle. Online buyers can do their research – and make a purchase – all in one place,

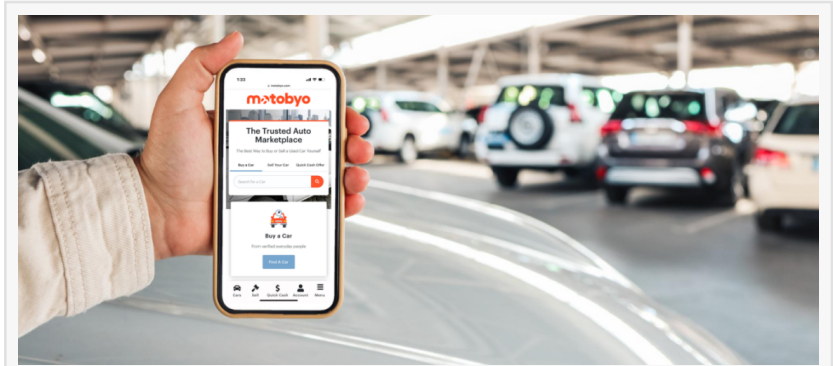

Motobyo has been designed by experienced tech and auto industry professionals with the intent to give consumers control in the buying and selling of used cars.

The people who created Motobyo remember both the excitement and the disillusion of car buying, and of car selling, as it is today. That’s why Motobyo is changing the way people buy and sell used cars.
