

Infopro Learning awarded 'Top 20 Custom Content Development Companies' for 2022 by Training Industry

Infopro Learning has been recognized among the Top 20 Custom Content Development Companies for 2022 by Training Industry for the 10th time in a row.

PLAINSBORO, NJ, UNITED STATES, July 26, 2022 /EINPresswire.com/ -- [Infopro Learning](#) has been recognized among the Top 20 [Custom Content Development](#) Companies for 2022 by Training Industry for the 10th time in a row. With over 25 years of custom content development experience, the organization can design content in a variety of modalities and for a range of devices.

Infopro Learning's solution ecosystem encompasses its expertise in developing transformational learning strategies, engaging learning content production, effective training administration, learning delivery, vendor management, and digitalization via learning technology. Infopro Learning's services assist companies in achieving true workforce transformation that benefits their employees, partners, and clients.

Training Industry analyzes the training market for the best custom content development companies that offer an extensive range of services and solutions. This annual list is intended to assist buy-side companies in their quest for suitable training partners.

Anu Galhotra, Vice President of Learning Solutions at Infopro Learning says, "We are honored to be recognized on the Top 20 Content Development Companies list by Training Industry, and it motivates us to continue to build solutions that are both learners and business-oriented. This award testifies our efforts and commitment to developing innovative and impactful learning programs. Our goal is to design programs that help our learners meet performance goals while enjoying every bit of the experience."

Top 20 Custom Content Development Companies

The following criteria were used to select the Top Custom Content Development Companies in the Training Industry for 2022

- The scope and quality of content created and services provided.
- Industry visibility, innovation, and impact in the learning services training market.
- Representation of clients.
- Performance and expansion of the company.
